

Rapid Earthquake Damage Assessment Expanded (BSB 00942)

3rd Project Progress Meeting Agenda (Istanbul, Türkiye)	
1st meeting day: Monday 19 October 2026	
09:30-10:00	Registration

Opening & Stakeholders' session	
10:00-10:15	Welcome Address to stakeholders [ITU]
10:15-10:40	REDA NEXt Project – overall progress, targets and expected results [IHU]
10:40-11:10	REDA_NEXt activities and earthquake risk reduction studies at ITU / Türkiye [ITU]
10:40-11:10	Discussion with stakeholders
11:00-11:30	Break

Project Partners' Session 1 – Technical Progress	
12:00-12:30	Project implementation – overall progress and milestones [IHU] • Progress since the 2nd Project Progress Meeting • Timeline, milestones and remaining tasks
12:30-13:30	Activity A1.2: Harmonization of seismic hazard and risk in partner countries – Current status [Coordination DUTH] • Seismic hazard harmonization • Geotechnical hazard harmonization • Exposure, vulnerability and seismic risk harmonization • Remaining issues and required inputs from partners
13:30-14:30	Break

Project Partners' Session 2 - REDA.p and Pilot Implementation	
14:30–15:30	Activity A1.3: REDA platform upgrade – Current status [Coordination ITU] • Progress of REDA.p upgrade • Integration of harmonized hazard and risk datasets • New fragility functions and

	methodological developments • Standardized output maps and automated technical reporting • Open issues, partner inputs and remaining tasks
15:30-16:30	Activity A1.4: Pilot studies – Current status [Coordination IHU] • Progress of individual pilot studies • Samsun, Varna, Alexandroupolis/Xanthi and Braila pilot areas • Integration of pilot datasets with REDA.p • Discussion of expected outputs and validation
16:30-17:00	Joint technical discussion: Integration of A1.2–A1.3–A1.4 and next technical milestones
16:30-17:00	End of 1 st meeting day

2nd Meeting Day: Tuesday 20 October 2026

Project Partners' Session 3 - Management, Communication and Next Steps

09:00-10:30	Project coordination and management [IHU] • Technical and financial reporting • JeMS and partner reporting issues • Project timeline and administrative matters • Upcoming deliverables and deadlines
10:30-11:00	Project financial management [IHU] • Expenditure progress • Financial reporting and verification • Procurement and other financial issues
11:00-11:30	Project dissemination and stakeholder engagement [IHU / All Partners] • Project website and social media • Dissemination activities undertaken by partners • Stakeholder involvement • Upcoming dissemination opportunities
11:30-12:00	Break
12:00–13:00	Planning for the next project period • Remaining technical tasks • Responsibilities of partners • Upcoming deliverables and milestones • Coordination of pilot implementation
13:00-13:30	Meeting conclusions and agreed actions
13:30-14:30	Break

14:30-15:30	Presentation of ITU Disaster Management Institute and REDA-NEXT related research activities
15:30–16:30	Technical visit: ITU Earthquake and Structure Laboratory and monitoring applications
16.30	End of 2 nd meeting day
